

THE BLUE SKY FEDERATION

School News

Dear Parents and Carers,

Welcome back! I hope you and your families had a wonderful summer break and that your children have settled happily into the new school year. It's been a busy few weeks across the Federation, and we're delighted to share some exciting updates.

At Heelands, the long-awaited new hall roof has been completed, along with a fresh new hall floor – meaning the space is fully open again for assemblies, PE, and school events. Over at Summerfield, the hall floor has also been renewed, and the children are already enjoying the new swings that have been installed alongside the much-loved sandpit.

A reminder that our wraparound care (breakfast and after-school club) is now based at Heelands School. Children from Summerfield are transported safely each day by minibus, making it a seamless service for families. The club provides a warm, nurturing environment with fun activities, opportunities to build friendships across schools, and the reassurance of high-quality care before and after the school day. If you would like further information, please email wraparoundcare@tbsf.org.uk

Please also ensure that the school office has your most up-to-date contact details. This includes any changes to addresses, mobile numbers, emergency contacts, or family circumstances. Having accurate information helps us to keep your child safe and ensures we can get in touch quickly if needed. Medical information should also be shared and updated - thank you.

As always, if you have any questions or concerns, please don't hesitate to speak with your child's class teacher or contact the school office.

Wishing you all a lovely weekend!

Ian

Executive Headteacher
