UPCOMING EVENTS

SUMMERFIELD

Jeans for Genes Day

20th September 2026

We will be supporting Jeans for Genes Day, a fantastic charity that helps children affected by a genetic condition and their families.

Safari Stu

24th September 2026

Year 1 / 2 have Safari Stu coming in for a fantastic experience where children can learn about different animals. It is only £3.50 per child. Please make sure you have contributed for your child

Dear Parents and Carers,

Welcome Back!

It has been wonderful to welcome everyone back to school for the start of another exciting year. I hope all of our families enjoyed the fantastic summer break and had the opportunity to spend some quality time together.

The children have settled in incredibly well. We have been especially pleased to see our new children finding their feet so quickly, as well as children across both schools confidently making the move into their new year groups. There is already a lovely sense of energy and enthusiasm around our schools, and we are excited about everything the year ahead will bring.

After such a fantastic summer, the weather certainly seems to have turned rather quickly! Please make sure your child brings a suitable coat or raincoat to school each day so that they are prepared for our ever-changing British weather.

Over the coming weeks, there will also be an opportunity for parents and carers from every year group to come into school. We are really looking forward to welcoming you in and strengthening the important partnership between home and school. Further information about these opportunities will be shared with you shortly.

As always, if you have any questions or queries, please do get in touch with your school office at office@heelands.org or office@summerfieldschool.org.

Thank you for your continued support. We are very much looking forward to a happy, successful and exciting year ahead for all of our children.

Take care,

Jan Fraser-Kirkup

Executive Headteacher

Reading at Home

Did you know that reading just 10 minutes at home everyday with your child can greatly improve their vocabulary skills as well as improving child mental health.

Encouraging a love of reading also creates a skill for life improving the chances of success.
