

PE and Sport Premium Report 2025–2026

OVERVIEW OF THE FUNDING

- Total PE and Sport Premium funding received: £21,727.63
- Total expenditure: £18,920.00
- Funding carried forward: £[IF APPLICABLE]

KEY PRIORITIES AND INTENT

Our PE and Sport Premium funding is used to make **additional and sustainable improvements** to the quality of PE, physical activity and sport.

In 2025–2026, we prioritised:

- **Improving staff confidence and subject knowledge** in teaching PE
- **Increasing pupil participation** in physical activity and sport
- **Broadening sporting opportunities**, including competition
- **Improving swimming outcomes** at the end of Key Stage 2
- **Developing sustainable systems** to reduce reliance on external support

These priorities align with the DfE's 5 key indicators.

IMPACT ON PUPILS

The PE and Sport Premium has had the following impact:

Participation and engagement

- Increased number of pupils attending extracurricular clubs
- Broader range of activities offered, leading to increased engagement
- More pupils participating in competitive sport through School Games and inter-school events

Quality of teaching

- Staff confidence and competence in delivering PE has improved through targeted CPD
- Teachers are better equipped to deliver progressive and inclusive lessons

Physical activity levels

- Increased opportunities for structured and informal physical activity
- More pupils regularly meeting recommended activity levels

Swimming

- Targeted use of funding for top-up swimming has supported pupils who did not meet expected standards

SUSTAINABILITY

We are committed to ensuring that improvements are sustained beyond the funding period:

- Staff training has developed internal expertise, reducing reliance on external coaches over time
 - Investment in equipment ensures continued high-quality provision
 - Established extracurricular programmes will continue annually
 - Strong partnerships (e.g. School Games) will maintain competitive opportunities
-

Swimming and Water Safety (Year 6 2025–2026)

Measure	Percentage
Swim competently, confidently and proficiently over 25m	22.9%
Use a range of strokes effectively	33%
Perform safe self-rescue	33%

Additional information:

- Top-up swimming funding was used to support pupils not meeting national curriculum expectations
-

Next steps (2026–2027)

- Further embed staff expertise to reduce external coaching reliance
- Increase engagement of least active pupils
- Expand intra-school competition
- Continue targeted swimming interventions
- Further develop active play and whole-school physical activity
