# Matters!

SEPTEMBER 2025

The children were so excited to come back after the summer holiday to find that we now have swings! This has eased up the demand on the sand pit which is another popular activity. All we get now are moans from pupils who have left about how amazing the lunchtime equipment is! As a school we are committed to continually improve the offer as the positive impact it has had on behaviour and general pupil engagement is clear to see. Thank you to everyone who supports OPAL.

## WEATHER-PROOFING THE FUN!

As the weather gets colder and wetter, it is vital that all children are well dressed to access as much OPAL fun as possible.

**By Friday 26th September all children need to have brought in a pair of outside shoes they can change into when advised.**

These should be left at school in a named bag. They also need a coat. If you cannot provide these, please mention it to the class teacher and we will do our best to help.
